e-Refunds

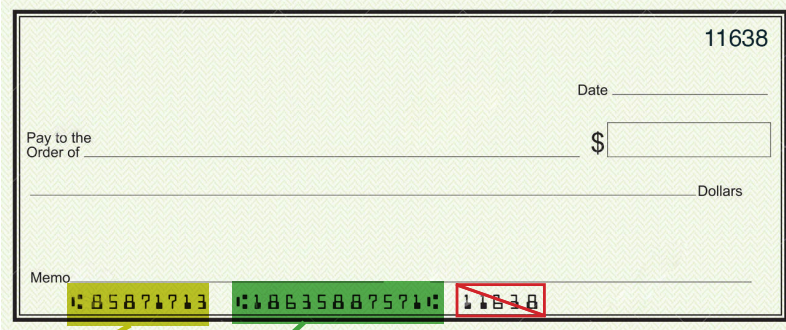

Student refunds will be made available through MSU's fully automated service. This new service replaces the Bull-e-buck\$ refunding program, thus eliminating the need for students to request their account refund.

TWO OPTIONS ARE AVAILABLE:

E-REFUND (DIRECT DEPOSIT) to a student's checking or savings account.

How to Sign Up for Direct Deposit

- 01 Log on to your student account through the myState portal.
- 02 Click on the myState navigation menu icon in the top left corner and scroll down to choose Banner.
- 03 Under Personal Information, select MSU Direct Deposit Bank Information.
- 04 Enter your [Routing](#) and [Account Information](#) under Student Account/Travel. Bank account information is required and must be updated IF your preferred bank account changes. Failure to provide or update this information WILL result in a delay of your e-Refund.

The screenshot shows a direct deposit form with the following fields: "Date" (with a date picker icon), "Pay to the Order of" (with a dollar sign and a text input field), "Dollars" (with a text input field), and "Memo" (with a text input field). The routing and account numbers are highlighted in yellow and green respectively, and the routing number is also highlighted in red. Below the form, the routing and account numbers are shown again with labels "Routing" and "Account".

Routing: 85871713
